

Introduced by Senator Soto

February 22, 2005

An act to add Section 33126.3 to the Education Code, relating to schools.

LEGISLATIVE COUNSEL'S DIGEST

SB 1006, as introduced, Soto. Schools: Technology Integration Performance Index.

Existing law, the Classroom Instructional Improvement and Accountability Act, requires each school district that maintains an elementary or secondary school to develop and implement a school accountability report card, as prescribed.

This bill would require the State Department of Education to develop, on or before January 1, 2007, multiple measures for a Technology Integration Performance Index (TIPI) to determine the extent of technology integration in each elementary and secondary school. The bill would further require the department, on or before April 1, 2007, to consider and recommend appropriate methods to collect, analyze, and publish the results of the TIPI in the annual school accountability report card.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 33126.3 is added to the Education Code,
- 2 to read:
